GOLF COURSES

13th Beach Golf Links - Creek Course

Monday 31st August 2026 @ 12:33pm - Carts

The Creek Course has gently undulating couch fairways, and deep bunkers filled with yellow sand. It has firm greens surrounded by interesting bumps, swales and hollows, all closely mown.

The native couch fairways are oversewn with fescues. This provides both an excellent, green playing surface year round.

There are some quirky elements too, like the 'square cut' tees, the creek itself, and the creative use of a few remaining pines in hole strategy.

GOLF COURSES

13th Beach Golf Links - Beach Course

Tuesday 1st September 2026 @ 10:00am - Carts

The Beach Course is unique in its design. The first four holes play away from the clubhouse winding through the majority of houses. The fifth tee is the beginning of what Thirteenth Beach has become famous for, wonderful links land.

The key feature of The Beach Course is its wonderful set of par 3's. Starting at the brutal 180m 3rd hole to the dainty yet sinister 113m 16th, the par threes of The Beach Course offer golfers of all levels a true test of their iron play.

A golf course that is playable to golfers of all levels, The Beach Course truly is 18 holes of golfing splendour.

GOLF COURSES

Lonsdale Links Golf Club

Thursday 3rd September 2026 @ 11:00am - Carts

A challenging, yet fun and unique course, Lonsdale Links is ranked 19th overall in Australia and 8th best Public Access golf course in Australia.

Designed by renowned course architects OCM, the intention was to create a strategic course, which reveals more of itself each time you play.

Drawing inspiration from trailblazer, Charles Blair Macdonald, Seth Raynor and Charles Banks, OCM designed the course as a deliberate throwback to an earlier age with template holes featuring throughout.

GOLF COURSES

Curlewis Golf Club

Friday 4th September 2026 @ 10:04am - Carts

With a sandy base, a minimum of trees, and naturally undulating couch fairways this Vern Morcom designed links is one of the best courses on The Bellarine.

In 2001, significant improvements were again made following the adoption a second master plan by renowned course architect, Michael Clayton. Challenging bunkers and firm, fast greens, it is the wind that often determines the level of playing difficulty.

A challenge for players of all standards and a true test of golfing ability.

GOLF COURSES

Portarlington Golf Club

Sunday 6th September 2026 @ 9:00am - Carts

It's near the beach, but it's not a links, it has some beautiful trees, but it's not a parklands course, either. You can play championship events here, or just knock about on a shorter layout with your mates.

A wonderfully prepared layout which has that rare and much-sought combination of challenge and fun for players at all levels. The course features superbly conditioned bent greens, drains quickly and is an easy walk with only gentle undulations.

So what are you waiting for ...
